## AUGUST ELEGANCE HAS ARRIVED

As the summer sun begins to mellow, there's no better time to refresh your interiors with classic pieces that transition effortlessly into the fall season. From statement dining sets for autumn entertaining to rich wood tones that warm up any room, we've handpicked antique favorites to carry you into the new season in style.

## Featured Collection: LATE SUMMER STAPLES

Give your home a sophisticated edge with antiques that blend warmth and tradition. This month's highlights include:

**HENKEL HARRIS SIDEBOARDS**  
Beautifully crafted, ideal for dining rooms or entryways.

**CHIPPENDALE STYLE CHAIRS**  
Classic and comfortable with a stately silhouette.

**MAHOGANY SECRETARY DESKS**  
Make work-from-home feel refined and productive.

## AMERICAN EMPIRE ACCENT TABLES

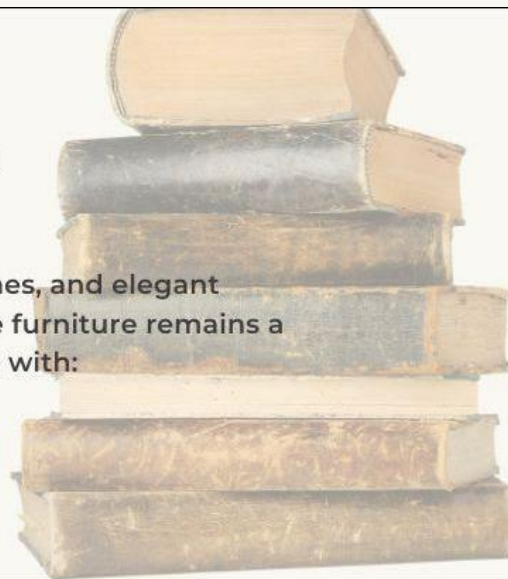

Rich woods, graceful curves, timeless function.

## Design School: THE CHARM OF AMERICAN FEDERAL STYLE

Known for symmetry, rich wood tones, and elegant neoclassical elements, Federal-style furniture remains a popular favorite. Incorporate pieces with:

- Brass hardware
- Reeded legs
- Inlay details

### ETHAN ALLEN CONSOLE

This Ethan Allen console table features classic Federal style with elegant inlay work and rich mahogany construction. In excellent condition, it's a timeless piece perfect for traditional interiors.

### HICKORY CHAIR SETTEE

This vintage Hickory Chair Co. settee showcases Federal style with a small-scale design, quality mahogany construction, and clean, well-kept upholstery. In excellent condition and offered at a fraction of its original cost, it's a refined addition to any traditional space.

### FEDERAL STYLE MIRROR

This Federal style overmantle mirror features a gold leaf wood frame with carved column details. In excellent condition with only minor hazing to the glass, it's a striking accent piece with timeless elegance.

Styling Tip:

MIX VINTAGE WITH LIGHT NEUTRALS

To keep your antiques feeling fresh during the summer heat, pair dark wood pieces with light linens, pale wall colors, and woven textures. This contrast helps your vintage treasures shine while keeping rooms bright and airy.
