

# Stenella Insider Thep Where the Besigners Shop!

### Editor's Note:

#### A WARM MID-SUMMER WELCOME

As the summer sun reaches its peak, there's no better time to refresh your interiors with character, elegance, and craftsmanship. Whether you're preparing for entertaining or seeking a quiet seasonal retreat, our latest finds and design ideas will help you make the most of this vibrant season.

In honor of Independence Day, we're highlighting the enduring charm of American-made furniture. Think bold cherry finishes, brass hardware, and heirloom craftsmanship. These pieces not only bring heritage into your home but also tell a story of artistry and resilience.
