Breathe Summer into Your Interiors: ✨ 5 STYLING TIPS USING TIMELESS PIECES

1. LIGHTEN THE LAYERS

Swap heavy textiles for breathable linen or cotton throws. Pair antique wood with lighter, airy textures to keep the space visually cool.

2. FRESH FLORALS IN VINTAGE VESSELS

Use antique pitchers, urns, or transferware bowls as unexpected vases for seasonal blooms like hydrangeas, peonies, or wildflowers.

3. EMBRACE SUNLIGHT

Position antique mirrors or light-toned furniture near windows to reflect and enhance natural light.

4. SOFTEN WITH SUMMER HUES

Incorporate pale blues, sage greens, and muted yellows in accent pillows, table runners, or even painted frames to give antiques a seasonal lift.

5. CURATE A COASTAL NOOK

Mix a traditional spindle-back chair with a rattan basket, a vintage nautical print, and a bowl of beachcombed treasures—subtle nods to summer vacation without going full-on seaside.

Old-world charm meets fresh summer breeze—your antiques can be just as seasonal as they are enduring.
