Happy  
New Year

FROM ALL OF US AT STENELLA  
ANTIQUES & INTERIORS

January is a time to reset—refreshing our homes, simplifying our spaces, and settling into the quieter beauty of winter. As we step into the new year, we're excited to share inspiration, timeless pieces, and thoughtful updates to help you start 2026 feeling grounded and inspired.

### New Year, Timeless Spaces

The new year doesn't require a full redesign—sometimes it's about refining what you already love. Thoughtful furniture updates, layered textures, and well-chosen accents can instantly breathe new life into your home while staying true to your style.

### THE JANUARY EDIT | CURATED FOR THE SEASON AHEAD

A thoughtfully edited selection of furniture and décor can set the tone for the year to come. This month, we're highlighting pieces that balance comfort, craftsmanship, and timeless design—items meant to live beautifully in your home season after season.
